Our Services

Interior Design: We create custom interiors that balance luxury with functionality, ensuring every space reflects the owner's personal style and comfort.

Exterior Design: Our exterior designs enhance the yacht's performance and aesthetic appeal, ensuring it stands out on the water.

3D Visualisation: We provide realistic 3D renders and walkthroughs, offering a clear vision of the design before construction begins.

Lighting Design: We specialise in creating bespoke lighting schemes that transform the yacht's atmosphere, creating a perfect ambiance at all times.

Turnkey Project Management: From concept to completion, we manage every aspect of the design process, ensuring a seamless and stress-free experience for our clients.

Why Choose Chrysalis Yacht Design?

Choosing Chrysalis Yacht Design means partnering with a team of experts who are passionate about turning your vision into a reality. Here's why we stand out:

Expertise: With over four decades of experience in luxury yacht design, our team has the knowledge and skill to deliver the highest quality results.

Bespoke Service: We create customised, one-of-a-kind yachts that are tailored to the unique needs and desires of each client.

Attention to Detail: Every project is meticulously planned and executed, ensuring that no detail is overlooked.

Sustainability: We incorporate eco-friendly practices and materials into our designs to ensure sustainability while maintaining the highest standards of luxury.

Our Process

At Chrysalis Yacht Design, we follow a structured, client-focused approach to ensure a smooth and successful design journey:

Consultation: We begin with an in-depth consultation to understand your vision, preferences, and functional requirements for your yacht.

Concept Design: Based on our discussions, we develop initial design concepts that reflect your style and needs.

3D Visualisation: Using advanced technology, we create high-quality 3D renderings to give you a clear picture of your yacht before construction.

Final Design: After feedback and revisions, we finalise the design and begin preparations for construction.

Project Management: We handle all aspects of the project, working with top shipyards and contractors to bring your yacht to life with precision and expertise.

Portfolio & Projects

We are proud to have worked on some of the world's most luxurious superyachts. Our portfolio showcases a range of completed projects, each one reflecting our commitment to craftsmanship and bespoke design.
